1. SHARES

1.1 Admission to listing or trading

Euronext Milan, Euronext MIV Milan and Euronext Growth Milan

	Fee for every 1,000,000 Euro of capitalisation	Cap	Floor
New Companies¹	€ 250	€ 1,000,000	<ul style="list-style-type: none"> • Euronext Milan <ul style="list-style-type: none"> ○ Capitalisation ≤ €1bn: € 40,000 ○ Capitalisation > €1bn: € 100,000 • Euronext MIV Milan: € 20,000 • Euronext Growth Milan: <ul style="list-style-type: none"> ○ Capitalisation ≤ € 20m: €20,000 ○ Capitalisation > € 20m: €30,000
Companies resulting from mergers involving only listed issuers²	€ 250	€ 150,000	€ 20,000
Companies already listed on foreign stock exchanges³	€ 250	€ 200,000	€ 20,000
New classes of shares	50% discount on the initial admission fee		

Issuers requiring the STAR status will be charged an additional € 5,000 at the time the status is obtained.

For units of investing companies seeking admission on Euronext Growth Milan the above fees will be applicable in addition to those described in Section 2 below (WARRANTS).

¹ The capitalisation is calculated on the basis of the offering price. In the case of companies which are not making a public offering for listing or admission purposes, the fees will be calculated on the basis of the closing price on the first day of trading. The fee is also charged to new companies resulting from the de-merger from companies already listed or admitted and to transfers between markets.

² The capitalisation is calculated on the basis of the closing price on the first day of trading.

³ The capitalisation is calculated on the basis of the closing price on the first day of trading or the offering price (for offerings in Italy) multiplied by the total number of shares after the offering.

For Euronext Milan and Euronext MIV Milan markets, an advance payment, corresponding to the Floor, will be invoiced on applying for the admission procedure.

For Euronext Growth Milan a not reimbursable advance payment, corresponding to the Floor, will be invoiced and due on applying for admission; any integration will be invoiced after admission and will be payable within 30 days of the date of invoicing⁴.

Issuers admitting new classes of shares will not be invoiced an advanced payment, nor pay the STAR fee for subsequent classes of shares.

Initial listing or admission fees are not reducible on a pro rata time basis.

1.2 Annual fee

Annual fees are paid in advance, cover the period 1st January - 31st December for all companies listed as of the 31st December of the previous year. The fees are not reducible on a pro rata time basis.

The fee includes also the provision to issuers of following services:

- Assistance in compliance with regulatory obligations, also through systems ensuring the effective relationship management with the issuer, with particular reference to the management of price sensitive information;
- assistance and support in the technical management of operations of:
 - merger / spin-off
 - conversion
 - listing of separate lines
 - dividend payment
 - split / reverse split
 - free allotment
 - financial instruments duration extension⁵

Euronext Milan, Euronext MIV Milan and Euronext Growth Milan

	Fee for every 1,000,000 Euro of capitalisation ⁶	Cap	Floor
All companies	<ul style="list-style-type: none"> • Up to € 1bn of capitalisation: €51 	€ 430,000	<ul style="list-style-type: none"> • Euronext Milan: € 23,500 • Euronext MIV Milan:

⁴ Companies admitted onto Euronext Growth Milan – Professional Segment, which are at the same time suspended from trading, shall be charged a €15,000 floor. If, after the admission to trading, the capitalisation of the company, based on the closing price in the first trading day, would require an admission fee higher than initially recognised, a final invoicing will eventually occur.

⁵ Provided that, in the event of an extension of the term of warrants, an additional fee determined in accordance with Section 2.1 below shall be charged for each additional year of listing.

⁶ Unless expressly indicated otherwise, the capitalisation to be used for determining annual fees is obtained by multiplying the arithmetic average of the closing prices (adjusted where necessary to take into account capital transactions) in the last three months of the previous year by the number

	Fee for every 1,000,000 Euro of capitalisation ⁶	Cap	Floor
(except companies indicated below)	<ul style="list-style-type: none"> Above € 1bn of capitalisation (for additional billion): € 47 		<ul style="list-style-type: none"> € 18,000 Euronext Growth Milan: € 18,000 Euronext Growth Milan Professional Segment: € 18,000
Companies in dual or multiple listing with reference market in a listing venue different from Borsa Italiana⁷			<ul style="list-style-type: none"> Euronext Milan: € 23,500 Euronext MIV Milan: € 18,000 Euronext Growth Milan: € 18,000

of shares admitted to trading making up the share capital at 31 December of the same year. In the case of capital increases classified by Borsa Italiana as "highly dilutive", in accordance with the Market Rules, and occurring during the six-month observation period, the arithmetic average of the adjusted closing prices is based on the trading days between the start of the capital increase and 31/12.

Unless expressly indicated otherwise, in the case of mergers between listed companies effective from 1 January, in order to calculate the capitalisation of the resulting company the arithmetic average of the closing prices (adjusted where necessary to take into account capital transactions) will be used, multiplied by the number of shares resulting after the date of execution of the merger. The referred prices are those recorded for the incorporating entities during the days of the three months preceding the merger on which the securities were traded.

⁷ The annual fee for companies in dual or multiple listing is defined according to the market of listing in which the company's shares are most traded (*reference market*).

For the purpose of applying this Pricelist:

- Borsa Italiana becomes the reference market, if during the reference period the daily average number of shares traded on the Borsa Italiana markets was higher than the daily average number of shares traded in each of the other listing venues where the company is admitted to listing.
- Borsa Italiana ceases to be the reference market, if during the reference period the daily average number of shares traded on the Borsa Italiana's markets was lower than the daily average number of shares traded in at least one of the other listing venues where the company is admitted to listing.
- The pro-rata fee for newly admitted companies in dual or multiple listing is defined not considering Borsa Italiana as reference market.

The annual fee applied to the companies in dual or multiple listing that have Borsa Italiana as the reference market will be the one applied to "All Companies".

- If during the reference period the daily average number of shares traded on Borsa Italiana markets was less than 55% of the total daily average traded in all the listing venues in which the company is admitted to listing, the cap will be reduced to € 60,000, otherwise the € 430,000 will be applied.
- The reference period to determine if Borsa Italiana is the reference market of a company listed on Euronext Milan, Euronext MIV Milan and Euronext Growth Milan, as well as its daily average number of shares traded, is the period starting from and including the first trading day of November two

	Fee for every 1,000,000 Euro of capitalisation ⁶	Cap	Floor
			<ul style="list-style-type: none"> Euronext Growth Milan – Professional Segment: € 18,500

An additional charge of € 2,500 per year will be applied to Companies belonging to STAR segment.

For newly listed companies, or newly admitted classes of shares, annual fees for the current year will be invoiced pro-rata temporis, starting from the first day of trading⁹, with the exception of companies transferring between stock markets managed by Borsa Italiana.

1.3 Direct Distribution of Euronext Milan and Euronext MIV Milan financial instruments

In addition of the above fees, issuers distributing instruments on Euronext Milan and Euronext MIV Milan through Borsa Italiana infrastructure will be charged with the following fee based on the amount of Capital raised through Borsa trading platform:

years before the period covered by the annual fees, to and including, the last trading day of November the year before the period covered by the annual fees.

⁸ The € 8,000 annual fees is charged to companies which are admitted onto Euronext Growth Milan – Professional Segment, and which are at the same time suspended from trading. Once admitted to trading, any company which is indefinitely suspended from trading is charged pro-rata, according to Euronext Growth Milan fees.

⁹ For newly listed companies capitalization used is calculated on the basis of the offering price. In case of companies which are not making a public offering for listing or admission purposes, the fees will be calculated on the basis of the closing price of the first day of trading.

	Fee on capital raised through Borsa Italiana infrastructure ¹⁰
Capital raised up to € 100 million	0.30%
Capital raised between € 100 million and € 300 million	0.20%
Capital raised between € 300 million and € 500 million	0.15%
Capital raised above € 500 million	0.10%

A not reimbursable advance payment, corresponding to € 50,000, will be invoiced and due on applying for direct distribution; the above integration will be invoiced after the distribution period and will be payable within 30 days of the date of invoicing¹¹.

¹⁰ Issuers that finalised the application process for the admission to direct distribution before 31st December 2024 benefit of a 50% promotional discount on the above component. The discount does not cover the € 50,000 advance payment, that is fully due in the moment of the application submission.

¹¹ The advance payment will not be due in 2024 and will be entirely invoiced at the end of the distribution period.
