(the “Purchaser”), a company independently managed and whose share capital is indirectly owned by Investindustrial VIII SCSp (“Investindustrial VIII” or the “Fund VIII”), has entered into a sale and purchase agreement (the “**Sale and Purchase Agreement**”) with Pentafin S.p.A. (“Pentafin”), for the purchase of a shareholding representing 58.35% of the share capital of Piovan, corresponding to 61.17% of the share capital of Piovan excluding n. 2,474,475 Treasury Shares.

Investindustrial VIII is managed by Investindustrial Advisors Limited, incorporated under English law, and authorised by the UK Financial Conduct Authority, and subject to its supervision. The investment strategy of Investindustrial VIII and its investment companies focuses primarily on European “mid-market” companies, and operates in four main sectors: industrial manufacturing, consumer, healthcare and services, providing industrial solutions and capital to top-tier companies, mainly in partnership with successful entrepreneurs and management teams, with the aim of accelerating their globalisation.

In particular, the Sale and Purchase Agreement provides that the Purchaser shall purchase from Pentafin no. 31,275,541 ordinary shares⁽¹⁾ of Piovan. (the “**Sale and Purchase**”).

¹ It should be noted that, of the no. 31,275,541 shares transferred in the context of the Sale and Purchase Agreement, no. 18,326,905 are increased voting rights shares, pursuant to Article 6.6 of the Issuer’s By-Laws, at Closing the abovementioned increased voting rights shares will no longer bear increased voting rights.. As a result, the participation that will be held by the Purchaser at Closing will consist solely of shares with ordinary voting rights.

The price for each share purchased is equal to Euro 14,00 and, therefore, the aggregate price of the Sale and Purchase is equal to Euro 438 million approximately. Such amount shall be paid by the Purchaser to PentaFin in a lump sum upon completion of the Sale and Purchase (the "**Closing**").

It is expected that the Conditions Precedent may be fulfilled by October 15, 2024 and that the Closing of the Sale and Purchase may take place in the following weeks.

On the date hereof, Automation Systems Collective S.C.A., a company incorporated under the laws of Luxembourg and indirectly owned by Fund VIII, and PentaFin have entered into an investment agreement regulating, among other things, the re-investment commitments at the Closing by PentaFin in the holding company that indirectly holds 100% of the share capital of the Purchaser (the "**Investment Agreement**"). Under the terms of the Investment Agreement, it is provided that at the Closing: (i) PentaFin shall become the owner of an indirect shareholding in the Purchaser, representing 25% of the share capital; and (ii) the parties shall enter into a shareholders' agreement (the "**Shareholders' Agreement**") aimed at regulating, in accordance with market practice, the corporate governance of Piovan and the transfer of the relevant shareholdings. In particular, the Shareholders' Agreement provides, among other terms and conditions, that after the Closing, Mr. Nicola Piovan shall continue to serve as Executive Chairman of the Board of Directors and that Mr. Filippo Zuppichin be reappointed as Chief Executive Officer of the Company.
