## PRESS RELEASE

\* \* \* \* \*

Gemini BidCo S.r.l., a special purpose vehicle indirectly controlled by the Bregal Unternehmerkapital IV funds, entered into with Mr. Pasquale Lambardi and with Gaxder S.r.l., a company wholly owned by Mr. Lambardi, a sale and purchase agreement for the purchase of a stake, representing approximately 53.24% of the share capital of Relatech S.p.A. (“Relatech” or the “Company”) at a price per share equal to EUR 2.53.

Pasquale Lambardi – through Gaxder S.r.l. – will reinvest in the special purpose vehicle that indirectly controls Gemini BidCo (and, thus, indirectly in the Company) and remain a minority shareholder.

Subject to the completion of the acquisition, Gemini BidCo will promote a mandatory tender offer on the remaining outstanding shares of Relatech aimed at delisting.

Milan/Luxembourg, 20 June 2024 – Notice is hereby given that today Gemini BidCo S.r.l. (the “Purchaser”), a special purpose vehicle indirectly wholly owned by the Bregal Unternehmerkapital IV Funds (“BU IV”), entered into a sale and purchase agreement (“**Sale and Purchase Agreement**”) with the shareholders of Relatech, Pasquale Lambardi and Gaxder S.r.l., a company wholly owned by Mr. Lambardi (“**Gaxder**” and, jointly with Mr. Pasquale Lambardi, the “**Sellers**”), for the acquisition of a stake representing approximately 53.24% of Relatech’s share capital (the “**Acquisition**”), a company whose shares (the “**Shares**”) are traded on the Euronext Growth Milan (EGM), organised and managed by Borsa Italiana S.p.A. (the “**Transaction**”).

Pursuant to the Sale and Purchase Agreement, it is envisaged that the Purchaser purchases (i) from Pasquale Lambardi No. 2,981,601 Shares, representing approximately 6.88% of the Company’s share capital, and (ii) from Gaxder No. 20,090,868 Shares, representing approximately 46.36% of the Company’s share capital (the “**Relevant Shareholding**”).

The Purchaser has agreed to purchase the Relevant Shareholding from the Sellers at a price per Share equal to Euro 2.53, subject to any downward adjustment in the event that a dividend is resolved or distributed by Relatech prior to the Closing date (as defined below).

Subject to the completion of the Acquisition (the “**Closing**”), the Purchaser will therefore hold a stake representing approximately 53.24% of the Relatech’s share capital.

The Closing, that is envisaged to occur indicatively by the end of July, is subject to the satisfaction of certain conditions, which are customary for similar transactions, including: (i) the obtainment of the authorisation pursuant to the “golden power” regulations, also due to the expiry of the applicable legal terms; (ii) the obtainment of authorisation from the Austrian antitrust authority *Bundeswettbewerbsbehörde*; and (iii) the non-occurrence of events (pursuant to the applicable regulations) that would entail the promotion of the Offer (as defined below) at a higher price per Share than the one set forth in the Sale and Purchase Agreement.

The Sale and Purchase Agreement also provides for customary agreements relating to the pre-Closing interim period and a set of representations and warranties in line with the market practice for similar transactions.

It is also communicated that, on the date hereof, Gemini Investment II S.à r.l. (a special purpose vehicle controlled by BU IV) and Gaxder entered into an investment agreement governing, *inter alia*, Gaxder's re-investment commitments at the Closing in the corporate structure of the Purchaser.

Pursuant to the provisions of the Euronext Growth Milan Regulation and Article 10 of Relatech's by-laws, which refers to the provisions of the TUF and CONSOB Regulation on mandatory tender offers, as a result of the Closing the Purchaser will be required to promote a mandatory full takeover offer for the remaining Company's Shares, other than the treasury shares held by the Company in its portfolio, aimed at delisting (the "Offer").

The Offer will be made at a consideration equal to Euro 2.53 per Share, subject to any downward adjustment in the event that a dividend is resolved or distributed by Relatech prior to the Closing date.

The consideration per Share of the Offer incorporates a premium:

- (i) of approximately 21% over the average Share price recorded on 18 June 2024;
- (ii) of approximately 22% over the average Share price recorded in the last month;
- (iii) of approximately 24% over the average Share price recorded in the last three months.
