

PRESS RELEASE

EDIL SAN FELICE IS AWARDED THE WORKS FOR AN ASPI CONTRACT WORTH OVER 40 MILLION EURO,

MORE THAN 24 MILLION BELONG TO THE COMPANY

Activities related to extraordinary maintenance works on the A14 Bologna-Taranto highway strengthened

Naples, 19 November 2024 - Edil San Felice S.p.A. Società Benefit ('the Company' or 'Edil San Felice') - a leading integrated operator active in the maintenance of critical infrastructures in Italy, listed on the Euronext Growth Milan market - has been awarded, as part of an RTI formed by Fenix Consorzio Stabile Scarl - of which Edil San Felice is a member - and AVR Spa, a contract from Autostrade per l'Italia worth a total of €40,500,000.00.

The share pertaining to Fenix Consorzio Stabile Scarl - entrusted entirely to Edil San Felice as the consortium company in charge of carrying out the works - is equal to 60% of the total value of the job order, for a work amount of € 24,300,000.00.

The extraordinary maintenance works are part of a four-year Framework Agreement and will be carried out on the A14 Bologna-Taranto highway. In particular, they will concern evolutionary works necessary to allow road mobility on the highway sections under the jurisdiction of the Pescara 7th Stretch Directorate - Lot 1 - from km 144 to km 412+987.

The main activities for which Edil San Felice is responsible for the contract in question concern the upgrading of the side and edge barriers, structural improvements to the tunnels on the section in question, the rehabilitation of the load-bearing elements of a viaduct and the demolition and subsequent reconstruction of the reinforced concrete kerbs.

Lorenzo Di Palma, CEO of Edil San Felice, comments: *'The awarding of this important contract confirms the trend that has been going on for several months, which sees extraordinary maintenance activities as the main driver for the constant increase in demand. We are pleased to see that Edil San Felice's dimensional growth is reflected in the value of the orders that the company is able to win, from both an economic and strategic point of view'*.
