ASSETTO CORSA COMPETIZIONE – SEASON 2024 PACK SCHEDULED TO LAUNCH IN SPRING 2024

RELEASE OF ASSETTO CORSA 2 POSTPONED TO SUMMER 2024

Milan, November 4th, 2023 - Digital Bros Group (DIB:MI), videogames company listed on the Euronext STAR Milan (ISIN: IT0001469995) and part of the FTSE Italia Small Cap index and Euronext Tech Leaders, announces the release of the Season 2024 GT World Challenge pack for Assetto Corsa Competizione, which will include the license for the legendary Nürburgring 24 Hours circuit. The launch of the DLC pack is scheduled for Spring 2024.

First launched in 2014, Assetto Corsa is a car racing simulator, developed by the fully owned studio Kunos Simulazioni S.r.l.. Assetto Corsa Competizione first launched in 2018 and was chosen as the official Fanatec GT World Challenge videogame and the official videogame of FIA Motorsport Games Esport Tournament.

Since launch, the Assetto Corsa franchise has generated revenues exceeding Euro 115 million with over 8 million copies sold, with a loyal community supporting the game for almost a decade.

Following the debut of the Fanatec GT World Challenge at the Nürburgring 24 Hours race, the legendary German circuit will be featured in the next 2024 pack of the video game. The racing circuit is famous for its technical complexity with steep elevation changes and blind corners, a real challenge even for the most skilled drivers.

The team at Kunos Simulations is completing the development of the new DLC for PC and consoles and, for that purpose, the next version of Assetto Corsa will be postponed. The Early Access on Steam for Assetto Corsa 2 is then scheduled for Summer 2024.

Digital Bros management estimates that this change in the release schedule will not have any significant effect on the business outlook of the Group for this fiscal year.
