Introduction

Euronext Growth Milan is primarily dedicated to non-complex equity securities.

This document contains the **Euronext Growth Milan Rules for Companies** (“these rules”) which set out the rules and responsibilities in relation to **Euronext Growth Milan companies**. Defined terms are in bold, and definitions can be found in the Glossary.

From time-to-time **Borsa Italiana** issues separate **Notes** on specific issues which may affect certain **Euronext Growth Milan companies**. The **Notes** form part of these rules.

Euronext Growth Milan companies must comply with all the legislative and regulatory provisions applicable to financial instruments admitted to trading on a multilateral trading facility established both at national and community level (for example, the rules on market abuse set out in Regulation (EU) 596/2014).

Where an **Euronext Growth Milan company** has concerns about the interpretation of these rules, it should consult its **Euronext Growth Advisor**.

The rules relating to the eligibility, responsibilities and disciplining of **Euronext Growth Advisors** are set out in the separate rulebook, **Rules for Euronext Growth Advisors**.

The procedures relating to disciplinary, and appeals matters are set out in the **Disciplinary Procedures and Appeals Handbook**.

The rules for trading **Euronext Growth Milan securities** are set out in “**Trading Manual**”. The rules for the participation of intermediaries in the market are set out in “**Membership Rules**”.

Euronext Growth Milan is a Multilateral Trading Facility dedicated primarily to the small and medium companies and the companies having a high growth potential. Taking into account of the risks associated to the investment, the access is recommended only to persons with high financial knowledge and experience.

Euronext Growth Milan has a **Professional Segment** where trades are only accessible to professional investors. In view of the nature of its investors, the **Professional Segment** has several simplifications in terms of conditions of admission and continued eligibility. **Euronext Growth Milan** companies can apply to be admitted to this segment, which is recommended, for example, for companies that prefer to access the market more gradually by separating the admission phase from the fundraising phase, and for securities that are complex in nature. Companies that have been marketing their products/services for less than a year and/or have yet to commence all the strategic functions/processes envisaged by the business model can only be admitted to this Segment. On the other hand, biotech companies characterized by a business model focused on research and development projects for innovative biopharmaceutical products may apply for admission to the

Euronext Growth Milan market open to retail investors if at least one product has successfully completed the preclinical testing phase.

Part One – Rules

Retention and role of a Euronext Growth Advisor

1. In order to be eligible for **Euronext Growth Milan**, an **applicant** must appoint a **Euronext Growth Advisor**. Following **admission**, an **Euronext Growth Milan company** must retain a **Euronext Growth Advisor** at all times.

The **Euronext Growth Advisor** assesses the appropriateness of an **applicant** for **Euronext Growth Milan** and submits to **Borsa Italiana** the declaration required by the **Euronext Growth Milan Rules for Euronext Growth Advisor**.

Following the admission, **the Euronext Growth Advisor** assists and supports a **Euronext Growth Milan company** on its responsibilities under these rules.

The role and the activities of **Euronext Growth Advisors** are set out in the **Euronext Growth Milan Rules for Euronext Growth Advisors**.

If a **Euronext Growth Milan company** ceases to have a **Euronext Growth Advisor** **Borsa Italiana** will suspend trading in its **Euronext Growth Milan securities**. If within 6 months of that suspension the **Euronext Growth Milan company** has failed to appoint a replacement **Euronext Growth Advisor**, the **admission** of the **Euronext Growth Milan securities** will be **cancelled**.

[A **Euronext Growth Milan company** assisted on the date of 19 August 2024 by a **Euronext Growth Advisor** that does not fall within the categories established in Article 2 of the **Euronext Growth Advisor Rules** but has been entered in the register maintained by **Borsa Italiana** since a date prior to 1 August 2014, must appoint a new **Euronext Growth Advisor** within 12 months from 19 August 2024]

Applicants for Euronext Growth Milan

Pre-admission announcement

2. An **applicant** must provide **Borsa Italiana**, at least ten **business days** before the expected date of **admission** to **Euronext Growth Milan**, with the information specified by Schedule One.

Before the pre-admission announcement, the **applicant** and the **Euronext Growth Advisor** shall describe any features specific to the **applicant** or the operation to **Borsa Italiana** in order to assess the potential effects of such specific features on **admission** to Euronext Growth Milan.

Companies listed on a **Designated Market** must provide **Borsa Italiana** with the information specified in Schedule One and its supplement, at least twenty trading days before the expected date of admission to **Euronext Growth Milan**.

If there are any changes to such information prior to **admission**, the **applicant** must advise **Borsa Italiana** immediately by supplying details of such changes. Where, in the opinion of **Borsa Italiana**, such changes result in the information being significantly different from that originally provided, **Borsa Italiana** may delay the expected date of **admission** for a further ten **business days** (or 20 business days for companies listed on a **Designated Market**).

Borsa Italiana will **notify** a **Regulatory Information Service** of information it receives under this rule.

Admission document

- An **applicant** must produce an **admission document** disclosing the information specified by Schedule Two. The last fully annual accounts **subject to statutory audit** or the annual statement of operations, where it exists, shall be attached to the **admission document**. This document must be available publicly, free of charge, in accordance with the time limits and procedures referred to in rule 26.

Having consulted the **Euronext Growth Advisor**, a newly established **SPAC** that has not begun to operate, make investments, or assume obligations must include a statement in the **admission document** that, as at the date of establishment, the company has not yet begun to operate and has no material assets and liabilities, and that therefore, as at the date of the **admission document**, the financial information is not available.

Companies listed on a **Designated Market** are not required to produce an admission document unless they are required to publish a prospectus, under the applicable regulations, for the securities for which admission is being requested.

Omissions from admission documents

- Borsa Italiana** may authorise the omission of information from an **admission document** (other than a **Prospectus**) where the **applicant**, after consulting its **Euronext Growth Advisor**, confirms that:
 - ◆ the information is of minor importance only and not likely to influence the **applicant's** assets and liabilities, financial position, profits and losses and prospects; or
 - ◆ disclosure of that information would be seriously detrimental to the **applicant** and its omission would not be likely to mislead investors with regard to facts and circumstances necessary to form an informed assessment of the **applicant's** securities.

Application document

- At least three **business days** before the expected date of **admission**, an **applicant** must pay the **Euronext Growth Milan fee** and submit to **Borsa Italiana** a completed **application form** and its **admission document**. These must be accompanied by the **Euronext Growth Advisor's declaration**

required by the **Euronext Growth Milan Rules for Euronext Growth Advisors** and by the declaration of the **applicant's** directors that the **admission document** is complete with respect to Schedule 2 of these rules and that it does not contain false or misleading information.

At least three business days before the scheduled date of admission, companies listed on a **Designated Market** must provide the completed application form to **Borsa Italiana**, together with the **Euronext Growth Advisor's** declaration required by the **Euronext Growth Milan Rules for Euronext Growth Advisors** and the payment of the **Euronext Growth Milan** admission fee. **Borsa Italiana** reserves the right to request the Euronext Growth Advisor's declaration, limited to point b) of section A) of Schedule Two – Euronext Growth Advisor Rules, where the Designated Market requires the presence of a qualified market participant that assesses the appropriateness of the listed company.

Admission to Euronext Growth Milan

6. **Admission** becomes effective only when **Borsa Italiana** issues a **dealing notice** (i.e. Avviso) to that effect.

Moreover, an **applicant** shall insert into its by-laws the provisions on takeovers and cancellation with the same wording as specified in Schedule Six effective from the start of trading on **Euronext Growth Milan**. In formulating its reasoned proposal for the assignment of the engagement to perform the statutory audit, the supervisory body shall consider the fact that the company will be admitted to a multilateral trading facility open to the public. The supervisory body shall issue a specific statement for admission purposes and when assigning the engagement to another statutory auditor or statutory auditing firm, including as a result of the early termination of the statutory audit engagement. This statement shall also be issued when the engagement has already been assigned before starting the admission procedure.

Pursuant to Article 6-*bis* of the **Rules for Companies**, in the case of one or more persons launching a bid vis-à-vis an **Euronext Growth Milan Company** the provisions referred to in the Consolidated Law on Finance (and the related **Consob implementing regulations** and guidelines), concerning the following matters, shall become applicable by voluntary reference to the aforementioned statutory provisions:

Its members shall be chosen from among independent persons of proven expertise in matters concerning financial markets. Their term of office shall be for three years and can be renewed. Where one of the members vacates the position before the termination of the appointment, **Borsa Italiana** shall appoint a substitute; such appointment shall last until the termination of the appointments of the other members of the **Panel**. **Borsa Italiana** shall also appoint the Chairman from among the three appointed members. The **Panel's** functions include taking decisions, either beforehand or afterwards, in relation to mandatory takeover bids pursuant to this Rule 6-bis.

The **Panel**, acting in accordance with and for the purposes of Article 1349 of the Italian Civil Code, shall make any rulings that are appropriate or necessary

for the correct execution of the offer (including those that may relate to the setting of the offer price). The Panel shall make its rulings without procedural formalities, in accordance with the adversarial principle, after having heard the offeror, Borsa Italiana, the shareholders and any other person holding a concrete and direct interest on whom the ruling to be assumed may have an impact and that wishes to be heard [the so-called interested parties]. The rulings shall be made on the basis of the provisions of the Consolidated Law on Finance referred to above, as well as the following provisions of the Consolidated Law on Finance (and the related implementing provisions and the Consob guidelines):

- amendments to the offer and competing offer (Article 103, paragraph 4, letter d), of the Consolidated Law on Finance and Articles 43 and 44 of CONSOB's Rules for Companies).

The subscription period for takeover bids and exchange offers shall be agreed with **Borsa Italiana** or with **CONSOB** for offers subject to its supervision.

The interested parties shall provide the **Panel** with the information and documentation requested by the latter in order to make its ruling. Communications to and from the **Panel** shall be written in Italian. The Chairman of the **Panel** shall have the power to decide, in agreement with the other members of the Panel, whether the matter should be ruled on collectively or by a single member of the **Panel**.

The interested parties may refer a matter to the **Panel** to request its ruling with respect to any matter that may arise in connection with the takeover bid. The **Panel** shall respond to any request in writing, as soon as possible, and in any case within 45 days from the date on which it is requested and in line with the implementation of the offer, with the right to ask for all the information necessary from the Company and the shareholders, which shall be required to provide such information, to enable the Panel to give a suitable and proper response.

The **Panel's** rulings shall be binding on the Company and its shareholders and shall be disclosed through publication on **Borsa Italiana's** website, in full or as an excerpt, also anonymously where applicable, and, in any case, where

necessary, on an urgent basis, by any other means considered appropriate by the Panel.

The payment of the costs and charges for the ruling by the **Panel** shall be ordered by the **Panel** based on the Fee Schedule in force at the time of receipt of the request. The requesting party shall be required to pay the costs and charges for the proceedings. Where more than one party participates in the proceedings, the participating parties will be jointly responsible for paying the costs and charges. The **Panel** shall have the right to allocate those costs and charges to one or more of those parties on the basis of the content of the measure adopted as a result of the hearing, in light of the positions expressed by them in the proceedings.

Lock-ins for new businesses

7. Where an **applicant's** main activity is a business which has not been independent and earning revenue for at least two years, it must ensure that all **related parties** and **applicable employees** as at the date of **admission** agree not to dispose of any interest in its securities for one year from the **admission** of its securities.

This rule will not apply in the event of an intervening court order, the death of a party who has been subject to this rule or in respect of an acceptance of a take-over offer for the **Euronext Growth Milan company** which is open to all shareholders.

AIFs and SPACs

8. The admission to trading on the **Euronext Growth Milan** market is limited to **AIFs** and to SPACs. In relation to the SPACs, a condition for the **company's admission** is that it raises a minimum of € 10 million in cash via an equity fundraising on, or near the **admission** date. This minimum fundraising requirement does not apply for SPACs originating from demergers of other SPACs. Notwithstanding, the bylaws of the SPAC may provide for the possibility that, after the distribution or the demerger of the acquired company or business, the company shall continue to operate in accordance with the requirements set forth by this article or the relevant Guidelines as well as any Notes.

investing policy at its next annual general meeting and on an annual basis thereafter, until such time that its **investing policy** has been substantially implemented.

Other conditions

9. **Borsa Italiana** may make the **admission** of an **applicant** subject to a special condition (e.g. depending on the **applicant's** specific sector).

Where matters are submitted by the **Euronext Growth Advisor** to the attention of **Borsa Italiana** which could affect an **applicant's** appropriateness for **Euronext Growth Milan**, it may delay an **admission**. **Borsa Italiana** will inform the **applicant's Euronext Growth Advisor** and may **notify** a **Regulatory Information Service** that it has asked the **applicant** and its **Euronext Growth Advisor** to undertake further due diligence.

Borsa Italiana may refuse an **admission** to **Euronext Growth Milan**:

- ◆ if the application for admission is irregular or incomplete; or
- ◆ if it considers that, on the basis of the information provided in the pre-admission announcement and the application for admission as well as the features of the security or submissions made by the **Euronext Growth Advisor** to **Borsa Italiana**, **admission** may be detrimental to the orderly operation or reputation of **Euronext Growth Milan**

Part Two – Guidelines

Eligibility for Euronext Growth Milan

Rule 1: Euronext Growth Advisor

Euronext Growth Advisors must be approved by **Borsa Italiana**. A copy of the **register** of approved **Euronext Growth Advisors** is available on **Borsa Italiana's** website, www.borsaitaliana.it/, however the definitive copy is kept by **Borsa Italiana**.

A **Euronext Growth Milan company** can only retain the services of one **Euronext Growth Advisor** at any one time.

Where a **Euronext Growth Milan company** needs to **notify** the loss of its **Euronext Growth Advisor** it should first liaise with **Borsa Italiana** so that where no replacement has been appointed the necessary suspension may be put in place to coincide with the **notification**.

In the event of termination of the **Euronext Growth Advisor's** engagement for reasons not involving the Euronext Growth Milan company, trading will continue without interruption provided that the company continues to ensure compliance with the provisions of the Rules; the Euronext Growth Milan company must appoint a new Euronext Growth Advisor within the period specified by Borsa Italiana in its Notice, otherwise, Borsa Italiana shall suspend trading.

Whenever a new **Euronext Growth Advisor** is appointed a **notification** will be required under rule 17. Before the appointment becomes effective, the incoming Euronext Growth Advisor must submit a Euronext Growth Advisor's declaration to **Borsa Italiana** pursuant to the **Euronext Growth Milan Rules for Euronext Growth Advisors**, schedule 2, section C. For the purpose of this submission, the outgoing **Euronext Growth Advisor** shall provide **Borsa Italiana** and the incoming **Euronext Growth Advisor** information regarding the circumstances and reasons underlying the termination of the relationship that may be relevant to the assumption of the engagement.

Where a **Euronext Growth Milan company** has lost its **Euronext Growth Advisor**, **Borsa Italiana**, at its discretion, in certain circumstances and depending on the reason for loss of **Euronext Growth Advisor** as advised to **Borsa Italiana** pursuant to rule 17 of the **Euronext Growth Milan Rules for Euronext Growth Advisors**, may allow – making an exception to rule 1 - trading in the relevant **Euronext Growth Milan securities** defining the related period of trading. In this instance, cancellation from **Euronext Growth Milan** will be extended until the period of trading allowed by **Borsa Italiana** expires.

Rule 1 of the Rules, as well as the subsequent provisions of the Rules that refer to the role of the **Euronext Growth Advisor**, do not apply to companies that intend to exclusively issue warrants and/or convertible bonds on the **Euronext Growth Milan market** whose underlying shares are listed on a European regulated market. Only the relevant provisions regarding admission to trading (i.e. Rules 2, 3, 4, 5, 6, 32, 33, 36,

37 and 38 and the related Guidelines), subsequent obligations (i.e. Rules 10, 17, 20, 22, 23, 30, 31, 32, 33, 36, 40, 41 and the related Guidelines) and procedures for investigating breaches of the Rules (Rules 41, 44 and 45) shall apply to that company, to the extent they are compatible with the nature of the securities admitted to trading.

Applicants for Euronext Growth Milan

Rule 2: Pre-admission announcements

In the case of companies already listed or concurrently admitted to trading on another market, prior to the pre-admission announcement, the **Euronext Growth Milan company** and the **Euronext Growth Advisor** must preliminarily inform **Borsa Italiana** of any overlaps between the obligations imposed by the two markets, both during the admission phase and after admission to trading, in order to define the applicable regime in full coordination and in compliance with both regimes.

In general, both regimes will continue to apply (both the regime already applying to the company, if it is a listed company, or that will apply as a result of simultaneous admission to another market, and the regime imposed by listing on Euronext Growth Milan), unless otherwise agreed with Borsa Italiana. In any event, **Borsa Italiana** shall provide details of the regime applicable in the Notice of admission.

If the **applicant** for **Euronext Growth Milan** is incorporated outside Italy and is already listed (or is concurrently requesting admission to trading) on European regulated markets or SME Growth Markets in its country of incorporation, investors' information needs, with respect to the disclosure requirements established by the rules on market abuse established by Regulation (EU) 596/2014, are deemed already satisfied by the ruling EU legislation and by the Growth Market rules set out in the MiFID Directive 2014/65/EU; consequently, attention will be focused on the need to ensure communication in Italian or any other language generally accepted by the financial community as well as on the information flows to **Borsa Italiana** through an SDIR.

Any other aspect (both informational and non-informational) shall be subject to specific evaluation. In any case, the **Euronext Growth Milan company** shall be required to adopt an Italian SDIR and the presence of a specialist in accordance with Rule 35-point a) of the **Euronext Growth Milan Rules for Companies**. The Corporate Action Procedures and the related procedures for ascertaining violations and appeals and the Membership and Trading Rules shall also apply.

For transfers from the **Professional Segment** to the **Euronext Growth Milan market** open to retail investors, no pre-admission notice and admission document are required. The application for admission is replaced by a request for transfer signed by the legal representative. Where the limited-scope declaration on the working capital has been issued at the time of admission to the Professional Segment, the **Euronext Growth Milan company** requesting the transfer is only required to issue a declaration relating to a period of 12 months in accordance with letter d, paragraph 1 of Schedule Two of these Rules and verified by the Euronext Growth Advisor in accordance with the provisions of AA2.

Announcements should be sent by **the Euronext Growth Advisor** to **Borsa Italiana** via **QUICK**, the electronic document submission Service, as provided by **Borsa Italiana** in accordance with General Conditions for supply.

Borsa Italiana will arrange for their **notification** to a **Regulatory Information Service**.

Announcements are disseminated publicly by a **Regulatory Information Service** under the heading "**Euronext Growth Milan**".

Rule 3: Admission document

If at any time after an **admission document** is submitted and before the date of **admission** there arises or is noted any material new factor, mistake or inaccuracy relating to the information included in the **admission document**, a supplementary **admission document** must be submitted containing details of such new factor, mistake or inaccuracy in accordance with the relevant part(s) of Schedule Two.

If the **applicant** has prepared a Prospectus according to **the Prospectus Rules** the **applicant** does not have to also prepare an admission document. In any case the information required letters from c) to i) of Schedule 2 of these Rules should be made available to the public.

For the avoidance of doubt, if the **admission document** is a **Prospectus**, any supplementary document must comply with the **Prospectus Rules**.

With reference to the last annual account, where it exists, that shall be attached to the admission document, where the closing date is more than 9 months before the date of the admission, an interim balance sheet and income statement of the issuer on a solo or a consolidated basis — drawn up on the basis of the formats in force for listed issuers, accompanied by explanatory notes — with reference to at least the 6 months subsequent to the closing date of the last annual account.

Companies resulting from extraordinary corporate actions or which, during the year prior or subsequent to that in which the application is filed, experienced a relevant change to their financial structure, must submit:

- the pro forma income statement for at least one year before the date the admission application was filed;
- the pro forma balance sheet as at the year before that in which the admission application was filed, if the extraordinary corporate actions or the relevant changes took place after such date;

Most annual separate and/or consolidated annual financial statements, which form the basis of pro forma data, must be subject to statutory audit. These pro forma documents must be accompanied by the report of the statutory auditor or statutory auditing firm, containing a certification drawn up in application of the best reference international standards.

If the extraordinary corporate actions or the relevant changes took place after the closing date of the financial year and between this date and the admission date more than 9 months have elapsed, a pro forma interim income statement must be prepared for at least the six months subsequent to the last closing date of the financial year and a pro forma interim balance sheet as at the six months after the latest closing date of financial year if the changes took place after six months. These pro forma interim documents must be accompanied by the report of the statutory auditor or

statutory auditing firm, containing a certification drawn up in application of the best reference international standards.

Solely with respect to the most recent annual financial statements and, if prepared, the most recent interim balance sheet and income statement, preparation must be on a consolidated basis.

The **admission document** and the attached documents may be made available publicly either at a physical location or on the Internet.

Rule 5: Application documents

The **application form**, payment of **Euronext Growth Milan fees**, **Euronext Growth Advisor's declaration** and the **admission document** as well as the attached documents should be sent to **Borsa Italiana** by the **Euronext Growth Advisor** via **QUiCK**, the electronic document submission Service, as provided by **Borsa Italiana** in accordance with General Conditions for supply.

Where an **Euronext Growth Milan company** approves a merger into a company that it controls, which does not have significant activities or which is included in the scope of consolidation, and that company submits an application for admission to trading, **Borsa Italiana** may, at the request of the company and the **Euronext Growth Advisor**, authorise the omission, in whole or in part, of the admission document, the **Euronext Growth Advisor's** declaration and/or the application for admission, where it considers that this does not prejudice the protection of investors.

Rule 6: Admission to Euronext Growth Milan

In order to ensure orderly trading and correct price discovery there must be a minimum **free float**. This condition is presumed to be met when shares are divided among investors – not related parties neither employee of the Euronext Growth Milan company, its subsidiary or parent undertaking – amounting to at least 10% of the capital represented by the class in question as a consequence of a placement to be made via its **Euronext Growth Advisor** and/or other **Euronext Growth Advisor** entered in the Register. Moreover, **Euronext Growth Advisor** is in charge of the placement and may use any additional parties appointed by it. For the market monitoring purposes, the **Euronext Growth Advisor** responsible for the placement shall send **Borsa Italiana** the research produced or commissioned in support of the placement.

Other than cases where a **Euronext Growth Milan company** submits an application for admission to the **Professional Segment**, the placement must occur at the time of or close to the admission to trading on the market. The start of trading is subject to the successful outcome of the offering, which is considered to have been achieved when the shares have been subscribed for or purchased by at least 5 **institutional investors**.

The minimum free float of 10% of the capital represented by the class in question must be subscribed, for at least 7.5%, by at least 5 institutional investors and for the remaining 2.5% by investors who are not related parties or employees of the company or group, including those of a non-institutional nature.

*The expression "close to **admission**" normally refers to a period of not more than 2 months.*

Where a **Euronext Growth Milan company** applies for admission to the **Professional Segment**, the minimum free float of 10% of the capital must be distributed among at least 5 investors who are neither related parties nor employees of the company or group, and who can also be non-institutional or non-professional investors. No placement is required for the formation of the free float. However, where the minimum free float requirement is met as a result of a simultaneous placement or a placement close to admission to trading, it must be made through the company's Euronext Growth Advisor and/or another **Euronext Growth Advisor** entered in the register.

Where the minimum free float is less than 10% of the capital, but nevertheless greater than or equal to 2% of the capital, or the minimum number of investors is not ensured or the investors are related parties or employees of the company or the group, **Borsa Italiana**, at the time of admission to trading of the **Euronext Growth Milan company**, shall order the suspension of trading until the free float requirement, within the terms established for the **Professional Segment**, has been fully met. If this requirement is not met within two years, Borsa Italiana shall order the delisting of the company.

For the purposes of the free float requirement of shares for which an admission application has been filed, **Borsa Italiana** may consider those shares resulting from the exercise of option rights and/or the conversion of convertible bonds.

Where, as a result of the placement, the shares are subscribed for only by the minimum number of **institutional investors** required, each such subscription must not be for a small or negligible amount nor aimed merely at ensuring compliance with the minimum threshold laid down in the Guidelines in relation to the minimum **free float**. Subject to the related specific circumstances, this condition must also be met for admissions to trading in the **Professional Segment**.

In cases of:

- a) issuers with a sufficiently widely distributed shareholder base,
 - b) **companies with institutional investors as shareholders**
 - b) c) admission via a public offering with a **prospectus**,
 - e) d) extraordinary capital actions involving companies that are already listed,
- waivers ~~to the extent of 10 percent and/or the requirement to make a~~ **to the minimum free float requirement to be achieved through** placement will be evaluated by Borsa Italiana together with Euronext Growth Advisor. **In all cases where the admission includes a placement, the requirement for the minimum number of institutional investors remains in place, also taking into account those already present in the shareholder base.**

Equally, where the presumed capitalization is high, waivers from the 10% standard will be evaluated by Borsa Italiana together with the **Euronext Growth Advisor**.

Subject to the 10% threshold in terms of minimum free float (at least 7.5% held by at least 5 institutional investors and the remaining 2.5% by investors who are not related parties or employees of the company or group, including those of a non-institutional nature), in the event of a transfer from the **Professional Segment** to the **Euronext Growth Milan market**, the **Euronext Growth Advisor** shall agree with **Borsa Italiana** on the methods for creating the free float required under this guideline.

Note also rules 32 and 33 (in respect of free transferability).

A **dealing notice** will be released through a **Regulatory Information Service** under the heading "**Euronext Growth Milan**".

6-bis. Obligations vis-à-vis corporate governance and takeover bid

With respect to companies controlled by other companies which are already listed, avoiding the assignment of operational proxies within the issuer's Group or vice-versa to executive directors or managers of the parent's group is clearly deemed appropriate. Likewise, it is appropriate to limit any overlaps between the members of the boards of directors of the issuer's Group and the parent's Group. Specific attention should also be given to management and coordination activities.

When the **Euronext Growth Milan company** has its registered office abroad, the provisions applicable to take over bids, as per Schedule 6 to be included in the by-laws, may be modified to the extent required by the relevant foreign legislation, after consultation with Borsa Italiana.

The **Euronext Growth Milan company** admitted to the **Professional Segment** shall not be required to appoint an independent director or an investor relations manager.

Admission conditions for applicants

Rule 7: Lock-ins for new businesses

Euronext Growth Milan companies shall put in place via contractual arrangements appropriate mechanisms to ensure the respect of Rule 7.

Borsa Italiana will not require a **substantial shareholder** to be the subject of a lock-in under rule 7 where that shareholder became a **substantial shareholder** at the time of an **Euronext Growth Milan company's admission** and at a price which was more widely available, for example as part of an offer to the public.

Rule 8: SPACs

The **investing policy** must be sufficiently precise and detailed so that it is clear, specific and definitive. The **investing policy** must be prominently stated in the **admission document** and any subsequent circular relating to the **investment policy**, for example pursuant to rules 8, 14 and 15. The **investing policy** should be regularly **notified** and at a minimum should be stated in the SPAC's annual accounts or statements of operations.

The circular convening a meeting of **shareholders** for the purposes of obtaining consent for a change in **investing policy** should contain adequate information about the current and proposed **investing policy** and the reasons for and expected consequences of any proposed change.

In making the assessment of what constitutes a material change to the published **investing policy** consideration must be given to the cumulative effect of all the changes made since the last **shareholder** approval of the **investing policy**, or if no such approval has been given, since the date of **admission**. Any material change to the specific points set out in the definition of **investing policy** is likely to constitute a material change requiring **shareholder** consent.

In making the assessment of whether or not a SPAC has substantially implemented its **investment policy**, **Borsa Italiana** would consider this to mean that the SPAC has invested a substantial portion (usually in excess of 50% at least) of all funds available to it, including funds available through agreed debt facilities, in accordance with its **investment policy**.

In relation to any requirement to obtain **shareholder** approval of the **investing policy** in these rules, if such **shareholder** approval is not obtained, the **Euronext Growth Milan company** would usually be expected to propose amendments to its **investing policy** and seek **shareholder** approval for those amendments, as soon as possible. A resolving action such as the return of funds to **shareholders** should be considered if consent is again not obtained. The **Euronext Growth Advisor** must keep **Borsa Italiana** informed if such a situation occurs. For the avoidance of doubt, if **shareholder** approval for the change to **investing policy** is not obtained, the company's existing **investing policy** will continue to be effective.

Rule 9: Other conditions

Borsa Italiana can impose a delay of no more than 10 **business days** under rule 9. At the end of this period, the **Euronext Growth Advisor** must decide whether and if so, when, to proceed.

Borsa Italiana may refuse admission if it deems that the **free float** or the features of the securities would make it impossible to maintain a normal and orderly market for the instrument in question.

Principles of disclosure

Rule 10: Principles of disclosure

Euronext Growth Milan companies shall fulfil their disclosure obligations under **the Rules for Companies** and under the Community legislation applying to such companies (for example, the market abuse rules set out in Regulation (EU) 596/2014).

In the case of open market announcements, the Issuer and the **Euronext Growth Advisor** shall notify **Borsa Italiana** by telephone to enable it to assess the possible impact that the announcement, once published, may have on negotiations. In any case, the notice must be given to Borsa Italiana with due advance in light of the subject matter of the announcement, in order to allow Borsa Italiana to assess with due care, together with the issuer, the possible actions to be taken on the market.

Disclosure of corporate transactions

Rule 14: Reverse take-overs

The **information document** must be made available to the public under rule 26.

Following the calling of the general meeting for the approval of a reverse take-over, the relevant **Euronext Growth Milan financial instruments** will be suspended by **Borsa Italiana** if the applicant has not published the information document accompanied by the related declarations of the issuer and the Euronext Growth Advisor at least 15 days before the general meeting.

If the object of the acquisition is another **Euronext Growth Milan issuer** or an issuer with listed shares, only the requirements of Article 14, second paragraph, first point (approval by the general meeting approval) and second point (minimum content of the disclosure of the transaction to the market without delay) will apply.

Rule 15: Fundamental changes of business

The consent of **shareholders** for a disposal or any other action coming within rule 15 may not be required where it is as a result of insolvency proceedings. A **Euronext Growth Milan company** must nevertheless seek the consent of **shareholders** for its proposed **investing policy**. **Borsa Italiana** should be consulted in advance in such circumstances.

The **Euronext Growth Advisor** must inform **Borsa Italiana** when a **Euronext Growth Milan company** for which it acts carries out the sale of all, or substantially all, of its trading business activities or assets.

Where such company does not make an acquisition(s) which constitute a reverse takeover under rule 14 or otherwise implements its **investing policy** within twelve months, in accordance with the rule, **Borsa Italiana** will suspend such a company pursuant to rule 40.

Rule 16: Aggregation of transactions

Borsa Italiana will only consider that a **Euronext Growth Milan company** has 'a principal involvement in any business activity or activities which did not previously form a part of the **Euronext Growth Milan company's** principal activities' where collectively a **class test** for any twelve-month period exceed 100%. In cases of doubt **Borsa Italiana** should be consulted.

Disclosure of miscellaneous information

Rule 17: Miscellaneous information

- (a) Where a **Euronext Growth Milan company** needs to **notify** the loss of its **Euronext Growth Advisor** it should first liaise with **Borsa Italiana** so that where no replacement **Euronext Growth Advisor** has been appointed the necessary suspension pursuant to rule 1 may be put in place to coincide with the **notification**.
- (b) Where a **Euronext Growth Milan company** changes its legal name it should send a copy of any change of name certificate to **Borsa Italiana**.
- (c) Information required to be submitted to **Borsa Italiana** should be emailed to egm.doc@borsaitaliana.it.
- (d) The **notification** in relation to the trading of **Euronext Growth Milan company** securities on any other exchange or trading platform should include details which exchange or platform (including details of any segment, tier or similar) and which securities this relates to.
- (e) In order to comply with the bullet point on disclosure of **relevant changes**, the **Euronext Growth Milan company** shall ensure, as far as it is reasonably possible, that **significant shareholders notify** it of any **relevant changes** to their shareholdings in the same terms as of the **Disclosure Requirements**.
- (f) Information on the exercise of rights is required in accordance with Consob Rules and consists, for example, of the notice to convene the general meeting.

Half-yearly reports, accounts and statements of operations

Rule 18 and 19: Half-yearly reports, accounts and statements of operations²

Where the half yearly report has been **subject to statutory audit** it must contain a statement to this effect.

In relation to rule 18, the financial period to which financial information has been disclosed in its **admission document** may be the financial period of the main trading subsidiary of the **Euronext Growth Milan company**, for example, where the **Euronext Growth Milan company** is a holding company. The **Euronext Growth Advisor** should contact **Borsa Italiana** if there is any uncertainty as to reporting timetable required by these rules.

² The amendments relating to the publication of financial statements and half-yearly reports apply from financial reports closing on 31 December 2020 or after this date.

The deadlines by which an **Euronext Growth Milan company** must publish its half-yearly report, annual accounts and statement of operations, shall take into account any **Italian Civil Code** provision or other specific regulation (as applicable) foreseeing a different timeframe.

Borsa Italiana will suspend **Euronext Growth Milan companies** which are late in publishing the draft annual report, the consolidated annual report or the statement of operations subject to statutory audit, and the half-yearly reports. The suspension will also apply where the **Euronext Growth Milan company** has communicated to the market a timing for the approval of the above accounting documents that is not compatible with the related regulatory publication deadlines.

Where a **Euronext Growth Milan company** wishes to change its accounting reference date, the **Euronext Growth Milan company**, after having consulted its **Euronext Growth Advisor**, should contact **Borsa Italiana** in advance to discuss the revised reporting timeframe.

The choice of accounting standard should be consistently implemented and any change between those standards available to a particular **Euronext Growth Milan company** should only be made after having consulted with **Borsa Italiana**.

The **Euronext Growth Milan company** can not avail itself of the exemption from the preparation of consolidated financial statements permitted by article 27 of Italian Legislative Decree No. 127/91, except for paragraph 3bis.

Rule 22

The **Euronext Growth Milan company** must use all due skill and care to ensure that information provided to **Borsa Italiana** pursuant to this rule is correct, complete and not misleading.

If it comes to the subsequent attention of the **Euronext Growth Milan company** that information provided does not meet this requirement, the **Euronext Growth Milan company** should advise **Borsa Italiana** as soon as practicable.

All communications between **Borsa Italiana** and a **Euronext Growth Milan company** are confidential to **Borsa Italiana** and its **Euronext Growth Advisor** and should not be disclosed without the consent of **Borsa Italiana**, save to appropriate advisers to the **Euronext Growth Milan company** or as required by any other regulatory body or agency.
