

**NOTICE  
n. 483**

**29 June 2015**

**EuroTLX**

Sender: **EuroTLX SIM**  
Target Company: ---  
Object: **Temporary exemptions due to fast market**

Text

EuroTLX informs that the temporary exemptions from quote requirements, communicated by means of Notice N. 480, are valid until 13.30 CET.

The Liquidity Providers are still exempted from quote requirements only on Government Bonds issued by Greek Republic, as attached, because the prevailing market conditions are such that hinder orderly market making (fast market).
